Intro:

Ceahh! Aye! Young Juice. 32 entertainment, aye! aye!
Okay!

Chorus:

Cop a chicken dawg, for the 18th, same number peyton
manning for the colts team. Then I hit your block, with
that straight drop, 3 grams for the 50 have your block
hot. (repeat 2x)

Verse 1:

I got a half a brick Chevy, me and million pill Buick,
stacked up chickens same color as the groupies.
Rolling the Kushies, don't it taste fruity? 3 gram gram
slaps we'll keep your trap moving. Doing big numbers,
like i'm shooting a movie. Count big stacks what I call
trap booming. Necklace and bracelets alot of blacks
got rubies. Riding 28s down 20 in a Dewy, with four bad
bitches chain swinging how I do it. Can't manage
numbers, got me boosting my endurance, these young
traps got my shit steady moving.

Chorus:

Cop a chicken dawg, for the 18th, same number peyton
manning for the colts team. Then I hit your block, with
that straight drop, 3 grams for the 50 have your block
hot. (repeat 2x)
