Smoking hot and pouring up
Active bitch all in my cup
Pull up on them 32â€²s
Make the way her wanna fuck
Ice cube's in my pocket
'Cause I'm all about the vigilance
Going in the water
'Cause your juiceman he's officially

(Hook) x3

Smoking hot, pouring up
Putting dick up in your face
Smoking hot, pouring up
Putting dick up in your face
All my cars got leather and wood
In my hood, we call it buff
All my cars got leather and wood
In my hood, we call it buff

(Bridge)

(Verse)

All my cars got leather and wood
In my hood, we call it buff
Focus team, straight kicker
Knock the lock off of my trunk
Climb on them 30 that is word 'cause I seen a hump
Leaning on the activist and my pocket got the most
Selling boy, selling girl
Eventhough the dirty work
Maybe leave my nest I sold a baby you a dirty square
I just pulled a dirty 4, promethazine, codeine and syrup
Flying down 75 and my vision very blurry
Blowing on that 93 come thicker than some power stur
Sitting on them 32 got me talling julie's herb
Smoking hot , put dick in your hole
Because of all the jury
Balling like a fool nigga, that why you hold me
choosing
Shout out to my jeweler, ain't no nigga cooler
Got me looking like an eagle a little red cooler
I just bought a mula, the hair look like medusa
2 door red coupe I cooler every bula
Eating steak and shrimp out the water from the muler
68 44 2 everything computer
Pro chart SS trying to race I do you
Pouring up that high tail, redder than some fluid

(Hook) x3

Smoking hot, pouring up

Putting dick up in your face
Smoking hot, pouring up
Putting dick up in your face
All my cars got leather and wood
In my hood, we call it buff
All my cars got leather and wood
In my hood, we call it buff
