hey hey hey hey hey excuse me sir excuse ur 90 fat boy
right i was walkin around im new in town i was
wondering know i wouldn just so having the time on
you im new in town i wanted to know wat time time is
was it i check the time look at the clock damn im
shining look at my watch x(4)vvs all in my time clock x2
right wrist iced out backin to the time now blowin on
this kush gave my vvs a wipe down white color stones
same color as a snow pow had to swich the besle with a
head baby stone now yung juice man and my watch go
retarted ocean nail diamond and it blue just like a tarus
green color stone got it lookin like a forest flava flav
time but mine go the hardest we rollin in a bacelet
havein it lookin flawless ridin the mewer auto band
supper my time these fingr n that is planet jupier ur
trap is find but my trap boomin stupider (chours x2)

look at my watch damn im shinein oww im blinein and
ur baby mama blinded stupid as watch dis shit right
here be priceless and wen i hit the club mane im leavin
wit dem dices and im headin to my house and im
fuckin in my nike or should i say dem murry durry cuz
the juice mane be so icy shout out to zatov cuz he
keep the juice mane workin stupid booked up and im
diamonds just be surfing and tell me wat it do watch
just look like ercle n i wen i hit texas man i be sipin on
the purple yung juiceman i got that stupid money so
wen im in the club im be blowin that stupid funky
chours x2
