Chorus:

Juiceman where you been? I've been selling dope
Juiceman you be chilling, I be rocking coke
Juiceman let me chill it, I be getting money
Round round the county, serving all the junkies
Juiceman where you been? I've been selling dope
Juiceman you be chilling, I be whacking coke
Juiceman let me chill it, I be getting money
Round round the county, serving all the junkies

Round paper bags be with that make my money
Brown color hummer, bought all this only money
Thirty six sitting baby got me seeing money
Stay away from phony nigger, don't you be no gunny
All my bricks are wonder woman, I can do the gunning
Super a1, have my chopper super plane
Thirty raster chicken got myself on super jumping
Money got machine and he helped me kinda...
Rubble banded thousand hundred we keep it coming
Call me when we drop for the money
Laugh and let it go, for these get no money
And the kitchen... my right hand on the turning
All this stove cooking put it down ain't burning
Greta job... juiceman he earn it

Chorus:

Juiceman where you been? I've been selling dope
Juiceman you be chilling, I be rocking coke
Juiceman let me chill it, I be getting money
Round round the county, serving all the junkies
Juiceman where you been? I've been selling dope
Juiceman you be chilling, I be whacking coke
Juiceman let me chill it, I be getting money

You got a gun my nigger you better run my nigger
Cause we ball my nigger, hold your tone my nigger
If you're swilling nigger, then you're done with nigger
When I'm back up on my shit like I get no doubt bitch
