You're not the type, type of girl
To remain with the guy, with the guy too shy, too afraid
To say he'll give his heart forever

I'm not the boy who will fall to his knees
With his hands clasped tight begging, begging you
please
To stay with him for worse or for better

But I'm staring at you now
There's no one else around
I'm thinking you're the girl for me

I'm just saying it's fine by me
If you never leave
And we can lay like this forever
It's fine by me

In the past I would try, try hard
To commit to a girl, wouldn't get too far
It always somehow seemed to fall apart

Who are you, you, you?
I could see what I need, I could dream realistically
And I knew that this was different from the start

And it seems that every time we're eye to eye
I can find another piece of you
That I don't wanna lose

And I'm staring at you now
There's no one else around
I'm thinking you're the girl I need

I'm just saying it's fine by me
If you never leave
And we can lay like this forever
It's fine by me

Well it's fine by me
If you never leave

And we can lay like this forever
It's fine by me

And it's never easy
Darling, believe me
I'm as skeptical as you

But when I think of
Life without us
Seems like what we're supposed to do

But I don't wanna come on too strong

I'm just saying it's fine by me
If you never leave
We can lay like this forever
It's fine by me

Well It's fine by me
If you never leave
And we can lay like this forever
It's fine by me

I'm just saying it's fine by me
If you never leave
And we can lay like this forever
It's fine by me
