The day I first met you
You told me you'd never fall in love
But now that I get you
I know fear is what it really was

Aanysa: Now here we are
So close yet so far
Haven't I passed the test
When will you realize
Baby, I'm not like the rest

Don't wanna break your heart
Aanysa: Wanna give your heart a break
I know you're scared it's wrong
Aanysa: Like you might make a mistake
There's just one life to live
Aanysa: And there's no time to waste to waste
So let me give your heart a break, give your heart a
break
Let me give your heart a break, your heart a break
Oh yeah, yeah

On Sunday you went home alone
There were tears in your eyes
I called your cell phone, my love
But you did not reply

Aanysa: The world is ours if you want it
We can take it if you just take my hand
There's no turning back now
Baby, try to understand

Don't wanna break your heart
Aanysa: Wanna give your heart a break
I know you're scared it's wrong
Aanysa: Like you might make a mistake
There's just one life to live
Aanysa: And there's no time to waste, to waste
So let me give your heart a break, give your heart a
break
Let me give your heart a break, your heart a break

There's just so much you can take
Give your heart a break
Let me give your heart a break, your heart a break
Oh yeah, yeah

Aanysa: When the words are on my lips
And our hearts beat as one

But you slip out of my fingertips
Every time you run, whoa-oh-whoa-oh-oh

Don't wanna break your heart
Aanysa: Wanna give your heart a break
I know you're scared it's wrong
Aanysa: Like you might make a mistake
There's just one life to live
Aanysa: And there's no time to waste, to waste
So let me give your heart a break

Aanysa: 'Cause you've been hurt before
I can see it in your eyes
You try to smile it away, some things you can't disguise
Aanysa: Don't wanna break your heart
Baby, I can ease the ache, the ache
So let me give your heart a break, give your heart a
break
Let me give your heart a break, your heart a break

There's just so much you can take
Give your heart a break
Let me give your heart a break, your heart a break
Oh yeah, yeah

The day I first met you
You told me you'd never fall in love
