Maybe I should I tell you, the way i feel
And let these hidden dreams,
finally be revealed,
do you even notice, the way I stare,
Cause I can't help but wonder, if you even care

How I care about you,
do I dare tell you the truth

I'm your undercover baby
and I wonder if it shows
How much you really mean to me
I gotta let you know

I'm your undercover baby
About to lay it on the line
I wish I had the words to say to make you
Make make you m-l-ne, m-l-ne, m-l-ne
My undercover baby

Thought I caught you throwing, a look my way
Yeah I spied you through my sunnies
I hope it's not to late
Cause it's 24/7 you're on my mind

And baby I'm in heaven
Every single time,
that I catch your smile.
Did you know It's driving me wild

I'm your undercover baby
and I wonder if it shows
How much you really mean to me
I gotta let you know

I'm your undercover baby
About to lay it on the line
I wish I had the words to say to make you
Make make you m-l-ne, m-l-ne, m-l-ne
My undercover baby

Should I play it old school and send a letter

Or stand outside your window and, serenade ya
Cause theres, only one thing, that can, make it better
Knowing that you feel it too
Hearin' you say

Undercover baby
and I wonder if it shows
How much you really mean to me
I gotta let you know

I'm your undercover baby
About to lay it on the line
I wish I had the words to say to make you
Make make you m-l-ne, m-l-ne, m-l-ne
My undercover baby

m-l-ne, m-l-ne, m-l-ne
My undercover baby
