I donâ€™t know why I’m here  
I’m not ready to go  
Your hearts like a lost soul  
That wonâ€™t let go  
Moments of our history  
Replay in my head  
So take your time  
And look around  
Then go back to bed

(Chorus)  
So silence you dreams  
Stay calm with your thoughts  
Stop and take a breather  
Donâ€™t lose sense of time  
But remain a believer  
Donâ€™t make any regrets  
Cause your life aint over yet  
Keep on pushing forward  
And do your best  
But remain a believer

I look to the sky  
And I wonder why  
Like why would this happen to me  
Sweet child of mine  
Look me in the eyes  
And tell me whatâ€™s wrong  
You said you’re scared of fear  
Well baby come right here  
I will protect you  
I will protect you

(Chorus)  
So silence you dreams  
Stay calm with your thoughts  
Stop and take a breather  
Donâ€™t lose sense of time  
But remain a believer  
Donâ€™t make any regrets  
Cause your life aint over yet  
Keep on pushing forward

And do your best  
But remain a believer
