So it goes
you gotta be bold if you'll ever get old
and so they say
you gotta run fast
if you'll ever get away

its the time of the season
for leaving with no givin reason
go leave you troubles alright
cause i can pick up the pieces
from all the times you left me bleeding
go on twist your knife

would it be wrong?
you gotta stay strong if you'll ever move on
so throw it away
i thought i heard em say that
life gets easier someday

ts the time of the season
for leaving with no givin reason
go leave you troubles alright
cause i can pick up the pieces
from all the times you left me bleeding
go on twist your knife

cause i've been down and i've been out
i got my feet stuck deep in the ground
and i am scared but im still tryin
cause there's no way
that we'd ever leave this life behind
