well nothing can get in my way  
on this wonderful Christmas day  
gingerbreads and candy canes  
it's Christmas

wearing jackets and wearing hats  
empty wallet i'm outta cash  
lots of sugary-ugary snacks  
it's Christmas

we're singing fa la la la la la la la la  
fa la la la la la la la la  
fa la la la la la it's Christmas

stalk the mistletoe for a kiss  
wrapping all my family's gifts  
preparing for the apocalypse  
it's Christmas

on the ground there's lots of snow  
unless you're living on the west coast  
but it's still a holiday even so  
it's Christmas

instrumental

icicles on every tree  
colored lights for miles to see  
it's time to set your spirit free  
it's Christmas

people say the world might end  
this pair of socks may be the last you'll get  
it's time to make the best of it  
it's Christmas

we're singing fa la la la la la la la la  
fa la la la la la la la la  
fa la la la la la it's Christmas

we're singing fa la la la la la la la la  
fa la la la la la la la la

fa la la la la it's Christmas

we're singing fa la la la la la la la  
fa la la la la la la la  
fa la la la la it's Christmas
