hey i need you to talk to about things  
i know you'll understand  
hey i want you believe me  
cause its oh  
this is such a shame

cause in one two three  
yeah you walked out on me without  
ever turning back

cant you see what you're doing tah me  
but i should've counted on it

hey! hey!  
what id i say? you dont know how to listen  
would you wait a while before you  
make your final decision

wel hey who are you  
i swore that i knew you  
but you're not the same

and what's the difference  
who you are around me  
i'll like you anyway

but in one two three  
yeah you walked out on me  
without ever turning back

cant you see what you're doin tah me  
but i should've counted on it

you're not who i thought  
oh i keep coming back to where i got my first scars  
you're not who thought

and in one two three  
yeah you walked out on me  
without ever turning back  
cant you see what you're doing to me but i  
should've counted on it
