put up a wall to keep them out  
strictly for the purpose of protecting yourself  
and though its not where you want to be  
behind baracades without a key  
well thats the worst excuse that i have ever heard  
and darling dont think for a second i'll believe a single  
word  
cause i took note of all the fingerprints  
the shame thats in your voice  
you've got a gift for breaking hearts and showing no  
remorse  
and you..showed me what not to do  
and i'll take it to my grave  
but this wont really kill me if no apologies are made  
cause i know you won't mean it anyway  
so what did it mean when you said your a mess  
cause all i see is a pile of excuses  
and nobody knows better than me  
the tricks and the trade of dishonesty  
well thats the worst excuse that i have ever heard  
and darling dont think for a second i'll believe a single  
word  
cause i took note of all the fingerprints  
the shame thats in your voice  
you've got a gift for breaking hearts and showing no  
remorse  
and you..showed me what not to do  
and i'll take it to my grave  
but this wont really kill me if no apologies are made  
cause i know you won't mean it anyway
