Verse 1:

Come away my child
To a safe hide away
And I'll whisper to your heart
Everything will be ok

Keep your head held high
Keep looking to the sky
Hope is on the way
Hold on to another day

Chorus 1:

Those tears will be no more
Love will wash upon the shore
And bring a hope that heals the soul
And all the world will know
To Africa with Love

Verse 2:

When the sun comes up
When the moonlight shines
Know someone who loves you
And there is hope divine

Chorus 2:

Those tears will be no more
Love will wash upon the shore
And bring a hope that heals the soul
And all the world will know

All the children sing and dance
Help is coming from above
To Africa with love
