Woah-woah-woah yeah (x3)

Take off those heels
Lay on my bed
Whisper dirty secrets while i'm pullin' on your hair
Poison in our vains, but we don't even care
Candles drippin' on your body
Baby this ain't truth or dare

Everybody wonders, where we've run off to.
My body on your body, baby, stickin like some glue.
Naughty, let's get naughty, girl it's only one or two.
The fevers fuckin' running, feel the heat between us
two!

I'm gon' ride, I'm gon' ride,
I'm gon' ride, I'm, I'm gon' ride.
On you baby, on you lady.. all night, all, all night.
I'm gon' take care of your body,
I'll be gentle don't you scream.
It's getting hotter, make it softer, feel your chest on top
of me.

I'm gon' ride, I'm gon' ride,
I'm gon' ride, I'm, I'm gon' ride.
On you baby, on you lady.. all night, all, all night.
I'm gon' make you feel that lovin', getting weak all in
your knees.
Kiss your body from the tip-top,
all the way down to your feet.

Ohh.. and we can go slow..
Yeah we can go slow.. Ohhhh.

Lay on your back, you like it right there.
Don't have to say it twice love, there's nothing here to
fear.
Taking it back, back to where it's clear.
Rolling on and on, sounds of love are in the air!

I'm gon' ride, I'm gon' ride,
I'm gon' ride, I'm, I'm gon' ride.

On you baby, on you lady.. all night, all, all night.
I'm gon' take care of your body,
I'll be gentle don't you scream.
It's getting hotter, make it softer, feel your chest on top
of me.

I'm gon' ride, I'm gon' ride,
I'm gon' ride, I'm, I'm gon' ride.
On you baby, on you lady.. all night, all, all night.
I'm gon' make you feel that lovin', getting weak all in
your knees.
Kiss your body from the tip-top,
all the way down to your feet.

Suns coming up..
You're on my side.
I rub your thigh..
You look in my eyes, and I just see the sky.
I'm so high, but I ain't smoked yet, I'm just coming
down from this.
