I might be too strung out on compliment,  
Overdosed on confidence  
Started not to give a fuck and stopped fearing the  
consequence  
Drinking every night because we drink to my  
accomplishments  
Faded way too long I'm floating in and out of  
consciousness  
And they sayin' I'm back, I'd agree with that  
I just take my time with all this shit, I still believe in that  
I had someone tell me I fell off, ooh I needed that  
And they wanna see me pick back up, well where'd I  
leave it at

I said I'm on one, SoMo is on one,  
(Yeah) I said I'm on one, SoMo is on one,  
So take a shot for me...whoa-oh, whoa-oh  
whoa-oh, whoa-oh, whoa-oh, whoa-oh  
Take a shot for me... whoa-oh, whoa-oh  
Take a shot for me... whoa-oh, whoa-oh  
Take a shot for me...

Ok, look, I'm honest. Girl, I can't lie, I miss you  
You and the music were the only things that I'd commit  
to  
I never cheated, for the record, back when I was with  
you,  
No, nooo-oh

Cause you shut it down down down  
Yeah, you shut it down down  
You were the baddest girl around round round  
And they notice, And I noticed

But when a good thing goes bad it's not the end of the  
world  
It's just the end of a world, that you had with one girl  
And she's the reason it happened, but she's  
overreacting  
And it's all because she don't want things to change

I know things get hard but girl you got it, girl you got it,

there you go  
Can't you tell by how they looking at you everywhere  
you go  
Wondering what's on your mind, it must be hard to be  
that fine  
When all these mutha wanna waste your time  
It's just amazing girl, and all I can say is

I'm so, I'm so, I'm so, proud of you  
I'm so, I'm so, I'm so, proud of you  
I'm so, I'm so, I'm so, proud of you

Everything's adding up, you've been through hell and  
back  
That's why you're bad as Fuck  
You know you are, oh, you know you are oh

Girl you look good won't you back that ass up  
You a fine motherfucker won't you back that ass up  
Call me Big Daddy won't you back that ass up  
Girl who is you playing with, back that ass up  
You working with some ass yeah, you bad yeah uh uh  
uh  
So you working with some ass yeah, you bad yeah

I know he messed up, Let a real singer make it right  
Let a real singer make it right, you deserve that much  
Let me put something in your life  
Let me put something in your life, put something in  
your life

You telling me it's only been a couple other people that  
you've been with  
I'ma trust you I'ma give you the benefit of the doubt,  
and I'ma love you  
You can even call me daddy, Give you someone to look  
up to oh ohwhoa

They know, they know, they know  
They know, they know, they know  
They know, they know, they know  
They know

That I'm on one, SoMo is on one,  
I said I'm on one, SoMo is on one,  
So take a shot for me... whoa-oh, whoa-oh  
whoa-oh, whoa-oh, whoa-oh, whoa-oh  
Take a shot for me...whoa-oh, whoa-oh  
Take a shot for me...whoa-oh  
Stop asking me..

Do you love this shit? Are you high right now?  
Do you ever get nervous? Are you single?  
I heard you loved your girl, is it true?  
You getting money? You think them  
boys you with is wit' you? And I say,

Hell yeah, Hell yeah, hell yeah  
Fuckin' right, Fuckin right, all right  
(And we say) Hell yeah, Hell yeah, hell yeah  
Fuckin right, Fuckin right, all right, all right  
Whoa oh whoa ooohhh, all night (oh)

Sometimes I need that romance, sometimes I need that  
pole dance  
Sometimes I need that stripper that's gon' tell me that  
she don't dance  
Tell me lies, make it sound good, make it sound good  
Do me like the women from my town would  
Do it for my city, cause you know the city love a singer  
Do it for the city, cause you know the city love a singer  
Do it for the city, cause you know the city love a singer  
Do it for the city (UGK, fuck these other singers)

I said I'm on one, SoMo is on one,  
I said I'm on one, SoMo is on one,  
So take a shot for me

I'm trying to let go of the past.  
Should we make this one a double?  
Ye ain't even gotta ask Ahh  
Because it's hard to say no. (say no)  
Yeah it's hard to say no

Are you down? Are you down? Yeah you all the way  
down, every time  
Am I down? Am I down? Yea I'm all the way down. We'll  
be fine  
Are you down Are you down yeah you all the way down,  
every time  
Am I down Am I down? Yea I'm all the way down we'll be  
fine

So take a shot for me.....Take Care..
