Climbin' through the clouds,
I'm so close now
To feelin' your touch.
I'm headin' southwest for Dallas love.

Peace of mind as I close my eyes.
You're all I'm dreamin' of.
And I'm almost home, Dallas love.

Oh, I can see the light
Of your smile glowin' through the night.
Such a beautiful sight
And your hair fallin' down
And the tender sound of Dallas love.

A woman's muffled page
Wakes me from a daze.
"Sorry your flight was so rough.
We're ten minutes away from Dallas love."

And I've been gone so long
But you're so strong.
Being alone is tough.
I'm almost there to hold you, Dallas love.

Oh, I can see the light
Of a city glowin' through the night.
Such a beautiful sight.
And those tires touchin' down.
Yea, that's the sound of Dallas love.

And should I take the elevator
Or the escalator, running down those stairs
It doesn't matter what I chose
I just want to be with you
Fastest way I can get there

Oh, I can see the light
Of your smile glowin' through the night.
Such a beautiful sight
And your hair fallin' down
And the tender sound of Dallas love.
