a little longer, baby stay with me a little longer  
i just want your touch again  
feel your body givin in  
its pullin at me  
my desire to make you happy  
i wanna feel your touch again  
(chorus)  
lets just lie here together chasing forever  
i cant get enough of your love  
brave and relentless sweet and defenseless i can  
never get enough  
everytime we touch  
cant stop starin  
my eyes keep taking off what your wearing  
i just want your touch again  
to feel your body givin in  
your a bad liar  
that smile gives away what you desire  
you wanna feel my touch again  
chorus again
