No words could ease the pain
Her heart broken and deranged
I tend to her tears and set things right
they still fall to the ground
all of her fears I said I'd overlook
and they begin to weigh me down

Is this a love
Is it a feeling
Is it just wasted time
my bloods a rushin
but I'm dead inside
she's not allright

She tells me that she's leavin
and I do not have to stay
tears still on the ground
with everything we've been through
it could all end today
and I don't know what I'll say

Is this a love
Is it a feeling
Is it just wasted time
my bloods a rushin
but I'm dead inside
she's not allright

I think I'll run away
Is this a love
I think I'll run away
Is it a feeling
I think I'll run away
I think I'll find myself

Is this a love
Is it a feeling
Is it just wasted time
my bloods a rushin
but I'm dead inside
she's not allright

Is this a love (is this a love)
Is it a feeling
my bloods a rushin
but I'm dead inside
she's not allright
