I  
I need to find myself  
I used to love  
But now my love's all spent

What do you see in us when all you do is cry  
I won't second guess it's time to say goodbye

But oh It'll be alright  
These lessons you learn in time

But hearts break  
And leaves change  
But my soul still stays the same  
I'm moving on  
It's not you I blame  
We don't see the same way  
I won't live my life in vain  
I'm moving on

I  
I tried to give you everything (hmm ooh)  
I hope you see (ooh)  
We weren't meant to be

But oh It'll be alright  
These lessons you learn in time

But hearts break  
And leaves change  
But my soul still stays the same  
I'm moving on  
It's not you I blame  
We don't see the same way  
I won't live my life in vain  
I'm moving on

But hearts break  
And leaves change  
But my soul stays the same  
It's not you oh that I blame  
I'm moving on
