There was someone before  
Stole me from all hope  
Thought I'd never love again

She tore me on the inside  
Left a hole in my life  
Would you even care to try to save my life

My broken heart is hurting  
My life has fallen to the floor  
I hope you'll stay to love me  
A love I didn't have before  
Cause there's nothing left to lose  
I'll risk my heart for you

Everything is so calm  
When arms are wrapped around me  
You save me now I'll always be free

You fill the hole in my life  
I'll always stand by your side  
I'm so glad you cared to try  
you saved my life

My broken heart was hurting  
My life had fallen to the floor  
I know you'll stay to love me  
A love I didn't have before

My broken heart was hurting (broken heart)  
My life had fallen to the floor (to the floor)  
I know you'll stay to love me (stay to love)  
A love I didn't have before  
Cause there's nothing left to lose  
I'll risk my heart for you

I've been waiting  
I've been hoping  
I've been searching  
For you

My broken heart was hurting

My life had fallen to the floor  
I know you'll stay to love me  
A love I didn't have before  
Cause there's nothing left to lose
