I find myself thinking about what you do  
Though I know I'm better off without you  
I never break down any longer  
I don't know why I can't move on  
I really need, I really want you to

Refrein:

Bring me down!  
Yeah I miss that mess you make  
Come around for old times sake  
I need a sweet taste of bitter, bring me down

I'm looking back, I see I wasn't happy  
To do, do it again, yeah that would be crazy  
It's so uncommon quiet without you  
Got to admit that I long for you  
I really need, I really want you to

Refrein

Bring me down!  
Yeah I miss that mess you make  
Come around for old times sake  
I need a sweet taste of bitter, Yeah

You're the river I'll be drowning in some day  
I take my chances anyway

Refrein 3x

Bring me down  
Yeah I miss that mess you make  
Come around for old times sake  
I need a sweet taste of bitter, bring me down
