Somebody said they saw you  
The person you was kissing wasn't me  
And I just wanna tell you this  
You can't keep it to yourself

Ready or not, here I come,  
you can't hide, I'm gonna find you  
And make you want me  
Ready or not, here I come,  
you can't hide, I'm gonna find you  
Take it slowly

Ready or not, I came ready with gwap  
Mom pissed cause I should have been dead in the  
block  
I ain't swish, get money like it's never enough  
It's a penny for my thoughts I got helluva lot  
Big smile when they say my music's influential  
In the rain... after instrumental  
Trying to figure out ways to make a million  
Counting with the days I pray...  
I never had a cv for hardwork...  
Looking in the paper and I'm seeing me  
... I said if you wanna go and get it  
God built so many ladders just looking up for better  
... ready or not you better give us some credit

Ready or not, here I come,  
you can't hide, I'm gonna find you  
And take it slowly  
Ready or not, here I come,  
you can't hide, I'm gonna find you  
And make you want me, yeah

Somebody said they saw you  
The person you was kissing wasn't me  
And I just wanna tell you this  
You can't keep it to yourself.
