This feels like heartache  
I just asked you for a date  
Took a lot of nerve to ask  
The silence sounds like thunder  
As I wait and wonder  
Are you gonna text me back?  
The minutes seems like hours  
You hold all the power  
With a Simple Yes or No  
What's this game your playing?  
What are you really saying?  
When you won't even let me know  
I wanna know right now  
If i can take you out  
Girl you get me so confused  
I don't know what else to do  
How many times do i have to ask?  
Text Me Back  
Text Me Back  
When we met in London  
Girl we both felt something  
Now I'm rackin my brain  
I just can't forget you  
And i got to see you  
Why are you acting strange?  
Did you get my message?  
i got tired of guessing  
So I sent Text No. 2  
Still you won't respond  
Hey what's going on?  
It ain't nice to be that rude  
I wanna know right now  
If i can take you out  
Girl you get me so confused  
I don't know what else to do  
How many times do i have to ask?  
Text Me Back  
Text Me Back  
What could you be doing?  
What's so all important?  
That you can't stop for a minute or two  
A girl with your upbringing

Shouldn't leave me hanging  
I wouldn't do that to you  
I wanna know right now  
If i can take you out  
I wanna know right now  
If i can take you out  
Girl you get me so confused  
I don't know what else to do  
How many times do i have to ask?  
Text Me Back  
Text Me Back  
615  
Text Me Back  
You know you want to  
Text Me Back
