Oh darlin'
Why don't you care for me no more
Oh darlin'

I still look the way I look
I still talk the way I talk
I still dress the way I dress
I don't understand

Oh darlin'
Why don't you care for me no more
Oh darlin'

I still think what I think
I still do what I do
I still am what I am
I don't understand

Oh darlin'
Why don't you care for me no more
Oh darlin'

I still feel what I feel
I still love what I love
I still want what I want
I don't understand

Oh darlin'
Why don't you care for me no more
Oh darlin'

Oh darlin'
Why don't you care for me no more
Oh darlin'

Oh darlin'
