Slow down, turn around
Close that door and look me in the eye
Give it one last, last chance
Hear me out before you say goodbye

Love worth makin'
Is love worth savin'
Give it one more night
Give it one more night
Just one more memory
Before you leave me
Give it one more night
Give it one more night

Your time, my wine
Let's have one more drink to better days
We've been so strong, for so long
What a shame to let it go to waste

Love worth makin'
Is love worth savin'
Give it one more night
Give it one more night
Just one more memory
Before you leave me
Give it one more night
Give it one more night

We'll never know
How good it could have been
If we give up on us now

Love worth makin'
Is love worth savin'
Give it one more night
Give it one more night
Just one more memory
Before you leave me
Give it one more night
Give it one more night

Give it one more night
Give it one more night

Slow down, turn around
Close that door and look me in the eye
Give it one more night, give it one more night
