I'm exchange of my baby and you don't care by
Now listen to me lady and mend my broken heart
but if i do get up the game No one can stop the game
i will always feel the same.

I want you to be near me
All night by my side
you know i love you baby
i like to treat you right
if i know you is crazy
i like the way you are.
But now i can't resist it.

I want you to be back
Back back back back back back
Back back back back back back
I need you to be back
Back back back back back back
Back back back back back back
I need you to be back
Back back back

You crazy, me crazy, latina bonita so crazy
tÃ© me quiere, yo te quiero, con dinero o sin dinero
mira mami te soy sincero, yo me equivoco pero te quiero
cometo errores de ser humano
pero mi amor no me nieges la mano.

I have a dream hope
you and i in the same home
I will be forever taking care of all of your dreams some
looking at the blue sky like those clear eyes
i never cross the limit of your big king size heart
heart heart heart heart
king size heart
heart heart heart heart

I need you to be back
I need you to be back
I need you to be back
Back back back
Back back back back back back
Back back back back back back
