Chorus: (Dwin)

Mag-party party tagay pa, going crazy thru the night
Keep on dancing til the morning light until the sun
comes up

Take your shots till you drop, keep on rocking just
donâ€™t stop

Kahit na walang tulugan weâ€™ll be get together all
thru the night

All thru the night.. kaya tagay pa

All thru the night.. kaya tagay pa

All thru the night.. kaya tagay pa

All thru the night.. kaya tagay pa

Rap verse 1: Sagisag

Come on baby ride on the floor

Dance with the music and let it go, turn the party up
feel nice and slow

When youâ€™re moving makinâ€™ me collapse here
we go

Simulan na natin wala nang makakapigil mundo ko ay
nanggigigil kapag ikaw ay gumigiling na sa dance
floor, you rock my world going crazy like a paranoid

Letâ€™s party till the morning rise Iâ€™ll play and
shake your body nice

Stand up baby girl I want you to dance with me if you
love the way I do

I give you everything, your smileâ€™s not just a thing
For me itâ€™s a treasure itâ€™s my pleasure letâ€™s
party letâ€™s go!

Chorus: (Dwin)

Rap verse 2: Too young

A girl with a red lips with her red shoes,

Youâ€™re so pretty and youâ€™re so precious,

you got the style you got the swag you got the boom,
i want to be my partner in a dream red room,

I wanna dance with you like wiz khalifa,

I will treat you 5 days in burj callifa,

we will go to France in city of love,

while kissing in the rain in a taxi cab,
Teasing in the sand of beach of Boracay,
drinking some rum lounging while the sun is high,
shake your booty from left to right,
make my day groovy till the morning light,
your such an extacy your dancing so sexy
no need to get proxy gegegegeget tipsy,

Chorus: (Dwin)

Rap verse 3: Mac G.

Halika tara na makisakay makisabay,
sumunod ka sa tunog at ika'y magpakatangay,
sa speaker, tambol, at tsaka gitara,
teka muna pare ko walang maya maya na,
pakisindihan ang ilaw yung tipong nakakasilaw,
pakikuha narin po yung pulutan na pinaihaw,
and now what are you waiting for,
please step up to the isle of dance floor,
you can banging to the sound and shouting make it
loud,
all over the world must going to the crowd,
and shake your ass going crazy night,
keep on dance untill the morning light,
at ilatag ang mesa pati na ang baso,
ang tagay paikot hanggang sa mahilo,
tayo'y sumayaw sa gitna ng gabi,
lahat ay kasalo dito sa may party.
