Stanza (Dwin)

I think the time has come to let you know (that I still love you so)

It's been so long ago since we let it go (so I let you oughta know)

Baby I, let you going down didn't fight for love

Didn't played it cool and smart and I know, I know I was wrong

Remember when you said you had enough (baby I was hurt so bad)

I tried to forget but I still keep the pain inside (my heart is crying all the time)

Baby I, don't know what to do you left me with not clue

How can I move I'm still in love with you

You know that it's true

Chorus:

Girl I have to find, the best way to make me change your mind now I realized

Life could be so hard without you right here with me so baby please come back to me

Let's bring back the time, the first time we fell in love because now I realized

Life could be so hard, without you as a part of me so baby please come back to me

Rap verse 1: (Sagisag)

Ang puso ko'y kumakabog ng mabilis kapag naaalala

kita ay lalong nananariwa ang lahat ng ating mga masasayang pagsasama

ang mga bagay na nagdulot satin ng mga ngiti na di kayang tumbasan kahit pa ng salapi

pero teka sandal tila parang nasawi anu ba ang dahilan anu bang nagging sanhi

ng paglayo mo sa akin mahal ba't di mo ako

kausapin ika'y pipilitin kong unawain

kung kasalanan ko iyo na sanang patawarin dahil di ko kakayanin kaya ibalik na natin

ng muli kang makasama lagi kong panalangin, sa
buhay ko ikaw lamang wala nang iba
di ako makukumpleto kapag ikaâ€™™ y nawala

Chorus:

Girl I have to find, the best way to make me change
your mind now I realized
Life could be so hard without you right here with me so
baby please come back to me
Letâ€™™ s bring back the time, the first time we fell in
love because now I realized
Life could be so hard, without you as a part of me so
baby please come back to me

Rap Verse 2: (Mac G.)

Oh baby please come back ako ay nagsusumamo sa
harap na umiiyak
Kahit na di tiyak ang â€™™yong pagbabalik asahan mo
naman ako sayo nananabik
Sa halip magalit ngayoâ€™™ y kumapit na lang sa alaala
nagtanong kung bakit
ako iniwanan ng hindi nagpaalam nais kong malaman
mo na labis akong nagdaramdam
sa mga ginawa mo sakin na di pagamin mulang nung
lisanin mo ako ng nagiisa
sa panaginip na lang ba mahahagkan at makikita
ang katulad mo na minahal ko ng lubusan binigay ko
ang lahat iniwan mo lang ng sukdulan
kawalan ng komunikasyon yun ba ang dahilan
ang maibalik ka sa akin yun ang tanging kahilingan

Chorus:

Girl I have to find, the best way to make me change
your mind now I realized
Life could be so hard without you right here with me so
baby please come back to me
Letâ€™™ s bring back the time, the first time we fell in
love because now I realized
Life could be so hard, without you as a part of me so
baby please come back to me
