Verse 1:

Guess what, I donâ€™t give a schmuck but it hurts to
watch you go
Donâ€™t try to say youâ€™re sorry
Iâ€™ve lost all interest in apologies
Youâ€™ll see everything that you believe like love at
second sight
Sunk all of your sorry heart, if you play games then
Iâ€™ll play war
Youâ€™ve always got an ace hiding up your sleeve.

Chorus:

Wake up, Wake up,
& please tell all your friends to
Shut up, Shut up,
â€˜Cus I donâ€™t really give a
& if you read between the lines
The storyâ€™s never quite as it seems

Verse 2:

Whatâ€™s the point of falling in love,
When you fall flat on your face,
Thereâ€™s nothing left here so get out of my face,
Iâ€™m so tired of your lies youâ€™re so full of it,
It's stacked up so high and your wide eyes prove it.
I never knew that you could be so ruthless,
This time was all your fault
(this time was all your fault)
Nonchalant and sick of all your excuses,
Donâ€™t follow me, donâ€™t fall asleep

Repeat Chorus

Bridge:

What happened to you?
The girl that I once knew,
Will never know the truth,
Always anxious to jump to,
Whatever your friends do,
Itâ€™s 1, 2, 3, 4.

Repeat Chorus
