Mmmmm Mmmmmm Mmmmm

Ow, why time insists to pass me by?
I won't lie, I'm scared stiff of letting go
Still now I'm not near ready for goodbyes
Back then you took a piece of me with you

How could I get myself to think of anything else?
If you and I are the same
I don't think there is another name for it
No, no name

Sweetest eyes felled asleep
In the night and left me here
Sweetest eyes I don't know why did you have to go
Sweetest eyes got me stuck, left me broken, beaten,
hurt
Sweetest eyes I don't know why did you have to go

The sky reflects the color of this times
The sun impersonates the warmness of your smile
The wind took the smoothness of your touch
A life time is not enough to show you how I love you so,
so much

Sweetest eyes felled asleep
In the night and left me here
Sweetest eyes I don't know why did you have to go
Sweetest eyes got me stuck, left me broken, beaten,
hurt
Sweetest eyes I don't know why did you have to go

Ow, I need you in so many ways
You are the greatest part of who I am
So I will do what it takes
Just to let you go, that's because I love you

Sweetest eyes felled asleep
In the night and left me here
Sweetest eyes I don't know why did you have to go
Sweetest eyes got me stuck, left me broken, beaten,
hurt

Sweetest eyes I don't know why did you have to go
