ooh, oh, aayyy yyeee oohh  
oohhh....

(Carmen Sandiego)

I was chillin in the club it was ladies night  
saw you wit ya homies you was looking tight  
so I walked over wanna know ya  
cause I saw ya hopping out the Range Rover  
but dont ya worry I am not bopping  
cause my Benz outside is drop topping  
so wassup wit you and the things we do  
ball 'til we fall boo

(Chorus: repeat 2X)

A future shot caller want you ball wit me  
shopping sprees, spending g's want you ball wit me  
I'm overseas smoking trees want you ball wit me  
a thirty-karat pinky ring want you ball wit me

(Carmen Sandiego)

Walking through the mall put your eyes on me  
say I'm fitting to what you want ya bride to be  
as loud as me smiling and profililing  
a yellow bone just bling, bling blinding  
I know ya boys be hating me  
cause they once a point a time tryed to get wit me  
but they cant do what we do  
drop top, sip syrup, and ball too

(Chorus: repeat 2X)

(Carmen Sandiego)

Marieon is the label that keeps me paid  
in H-town aint no plexing we just ball and parlay  
I'm straight sipping, diamonds glisten  
no player hating, paper chasing on a misson  
so if you down to clown with me  
I'm balling in you're city spending plenty of cheese  
Sandiego coming through show me what ya do  
can you drop it like its hot when I call you?

(chorus)

(talking over chorus)

yea I'm talking bout(??)

that Segrum Parish Mall?, that Beverly Hills One

Galeria in H-town, Venis Mall in Atlanta

sporting Versace, I'm hitting the gucci store

just to buy a pair of panties

I'm talking bout going to Luey Vertain shop

just to buy some Luggage to go outta town

shit I can fly you a mink but can you buy me

a Cardier wrist watch, can you pay my bills

like Destiny Child say?I'm talking bout my car note

baby I drive a Big Body 600 so I hope you can

hang with this, I aint tryna(?)ya know I'm saying

or say aint nobody good enough

but I can do all this stuff for myself

so if you can do this for me then I'ma holla at ya

on the 33rd of Nevery haha haha

(chorus 'til end)
