It could be ten, but then again  
I can't remember half an hour since a quarter to four  
Throw on your clothes, the second side of Surfer Rosa  
And you leave me with my jaw on the floor, hey!

Oh, just when you think you're in control  
Just when you think you've got a hold  
Just when you get on a roll

Oh here it goes, here it goes, here it goes again  
Oh, here it goes again  
I shoulda known, shoulda known, shoulda known again  
But here it goes again  
Oh, oh here it goes again

It starts out easy, something simple, something sleazy  
Something inching past the edge of reserve  
Now through the lines of the cheap Venetian blinds  
Your car is pulling off of the curb, hey!

Oh, just when you think you're in control  
Just when you think you've got a hold  
Just when you get on a roll

Oh, here it goes, here it goes, here it goes again  
Oh, here it goes again  
I shoulda known, shoulda known, shoulda known again

But here it goes again

Oh, here it goes  
Oh, here it goes  
Oh, here it goes again  
Oh, oh here it goes again

Oh oh  
Oh, here it goes, yeah  
Oh, here it goes again, hey hey  
Oh, here it goes, alright

I guess there's gotta be a break in the monotony  
But Jesus, when it rains how it pours

Throw on your clothes, the second side of Surfer Rosa  
And you leave me, yeah, you leave me

Oh, here it goes, here it goes, here it goes again  
Oh, here it goes again  
I shoulda known, shoulda known, shoulda known again  
But here it goes again

Oh, here it goes, oh, here it goes  
Oh, here it goes again  
I shoulda known, I shoulda known  
But here it goes again

Oh here it, oh here it  
Oh here it, oh here it  
Oh here it goes again

I shoulda, I shoulda  
I shoulda, I shoulda  
I shoulda known

Oh oh oh  
I shoulda known  
Oh, here it goes again  
Oh, oh here it goes again
