The warmth of your love's  
like the warmth of the sun  
And this will be our year  
Took a long time to come  
Don't let go of my hand  
Now the darkness is gone  
And this will be our year  
Took a long time to come  
And I won't forget  
the way you held me up when I was down  
And I won't forget  
the way you said:  
"Darlin', I love you"  
You gave me faith and  
you all know we're there  
and we've only just begun  
This will be our year  
Took a long time to come  
The warmth of your smile  
Smile for me, little one  
And this will be our year  
Took a long time to come  
You don't have to worry  
All your worry days are gone  
And this will be our year  
Took a long time to come  
And I won't forget  
the way you held me up when I was down  
And I won't forget  
the way you said:  
"Darlin', I love you"  
You gave me faith and  
you all know we're there  
and we've only just begun  
This will be our year  
Took a long time to come  
Yeah, we've only just begun  
And this will be our year...  
Took a long time  
To-o-o...  
Come.
