You worry too much  
You make yourself sad  
You can't change fate  
But don't feel so bad  
Enjoy it while you can  
It's just like the weather  
So quit complaining brother  
No one lives forever

Let's have a party there's a full moon in the sky  
It's the hour of the wolf and I don't wanna die

I'm so happy  
Dance around the Grim Reaper (??)  
Cuts cuts cuts but he can't get me  
I'm clever as can be  
I'm very quick  
But don't forget  
We've only got so many tricks  
No one lives forever

You think you've got it rough  
What about your darling doggie  
In ten short years  
He's getting old and groggy  
I don't think it's very fair  
Cold shot low  
But it's all that it is my friends(??)  
No one lives forever

Let's have a party there's a full moon in the sky  
It's the hour of the wolf and I don't wanna die

I'm so happy  
Dance around the Grim Reaper (??)  
Cuts cuts cuts but he can't get me  
I'm clever as can be  
I'm very quick  
But don't forget  
We've only got so many tricks  
No one lives forever

Break:

You worry too much  
You make yourself sad  
You can't change fate  
But don't feel so bad  
Enjoy it while you can  
It's just like the weather  
So quit complaining brother  
No one lives forever

Let's have a party there's a full moon in the sky  
It's the hour of the wolf and I don't wanna die

No one beats him at his game  
For very long but just the same  
Who cares there's no place safe to hide  
Nowhere to run no time to cry  
So celebrate why you still can  
Cause any second it may end  
And when it's all been said and done  
It's better if you had some fun  
Instead of hiding in a shell  
Why make your life a living hell  
Drink a toast down the cup  
Drink the bones I'll turn to dust

'Cause  
No one  
Lives forever
