I'm not looking for love tonight
I'm looking for someone who can take you off my
mind
So give me Jack and Coke
And someone I don't know
'Cause I need to numb everything inside

I want him gone when I wake up
Wont remember his name or where he's from
The only thing I need
Is a new scent on my sheets
To cover yours up, up

CHORUS:

I am giving up this fight
I've made up my mind, I've made up my mind
There is nothing left to hold
I'm letting you go, I'm letting you go, I'm
letting you go

Broken movie in my mind
Replaying each scene line by line
Well every single day
I'm left to sit and wonder why you changed
You changed

CHORUS:

I am giving up this fight
I've made up my mind, I've made up my mind
There is nothing left to hold
I'm letting you go, I'm letting you go, I'm
letting you go

Cigarette stains on your coat
The things you told me "nobody else knows"
Well I still have your back
You took the chains off me and showed me how to love
free
Now you're gone
What am I supposed to do, supposed to do with that?

CHORUS:

I am giving up this fight
I've made up my mind, I've made up my mind
There is nothing left to hold
I'm letting you go, I'm letting you go, I'm
letting you go
