I am you,  
You are ready  
Like my heart  
To be true.

I will stay  
You have all  
I smith hold you  
In a way  
Is nothing else to do.

Chorus:  
The frost is slowly falling  
And my heart it's calling you  
Ice is slowly melting away  
Let's forget all the things that we say.

I am you,  
You are ready  
Like my heart  
To be true.

All the feathers in your hair  
We are young  
But We are older  
With the light we've become  
In this room.

Chorus  
Let's forget all the things that we say.  
please  
I am safe, please  
There's nothing I'd rather do.  
I'm certainly, I'm certainly  
And there's no one else but you.

## Chorus

Let's forget all the things that we say.
