Take me home
To the place where I'm from
Oh darling, you'll understand
When you come with me

Take me there
Where the desert meets the sea
And all the things we are
Are made for loving

Take me home
Take me home

Take me home
To the place where I'm from
Oh under the (?)
We will go

Take me there
Where the desert children run
Oh darling, you'll understand
When you come along

Take me home
Take me home

Take me home
To the place where I'm from
Oh darling, you'll understand
When you come with me
