An unexpected light  
Why can't I love you?  
An unexpected delight  
Why can't I love you?  
When I'm in your arms  
The world is beautiful  
When I'm in your arms  
I am beautiful

What's wrong with me?  
There is love all around  
What's wrong with me?  
I keep on letting you down

An unexpected light  
Shines his way across the sea  
Just so I don't feel all alone  
An unexpected light  
He chose me  
Why can't I make this light my home?

What's wrong with me?  
There is love all around  
What's wrong with me?  
I keep on letting you down  
Down, down, down  
Down, down, down

What's wrong with me?  
There is love all around  
What's wrong with me?  
I keep on letting you down  
What's wrong with me?  
There is love at my door  
What's wrong with me?

What am I waiting for?
