I want to know  
The way she looks  
And where you go  
I need to see her face  
I need to understand

Why you and I came to an end  
Tell me again  
I want to hear  
Who broke my faith in all these years

Who lays with you at night  
When I'm here all alone  
Remembering when I was your own

[Chorus:]  
I'll let you go  
I'll let you fly  
Why do I keep asking why  
I'll let you go

Now that I found  
A way to keep somehow  
More than a broken vow

Tell me the words I never said  
Show me the tears you never shed  
Give me the touch  
That one you promised to be mine  
Or has it vanished for all time

[Chorus:]  
I'll let you go  
I'll let you fly  
Why do I keep asking why  
I'll let you go

Now that I found  
A way to keep somehow  
More than a broken vow

I close my eyes  
And dream of you and I  
And then I realize  
There's more to life than only bitterness and lies

I close my eyes  
I'd give away my soul  
To hold you once again  
And never let this promise end

[Chorus:]  
I'll let you go  
I'll let you fly  
Why do I keep asking why  
I'll let you go

Now that I found  
A way to keep somehow  
More than a broken vow
