My sweet boy
I let you down
When the rain falls inside me, I stumble down
My poor boy
Astray and away
When the storm is out
I find the daylight
Oh shine, shine

Scream!
Inside I keep them
All of us in hiding
I'm crying
Won't ever tell you 'till the day
Won't ever tell you 'till the day
I'm dying
I'm crying

My sweet boy
I close my eyes
A gentle tear from inside me I couldn't hide
My dear boy
Our fear is the same
When the storm is out
I find the daylight
Oh shine, shine

Scream
Inside I keep them
All of us in hiding
I'm crying
Won't ever tell you 'till the day
Won't ever tell you 'till the day
I'm dying
I'm crying

I'm staring outside the window
Waiting for the sun to shine
It won't hide
I'm staring outside the window
I'm waiting for the sun to shine
It won't hide

Scream
Inside I keep them
All of us in hiding
Iâ€™m crying
Wonâ€™t ever tell you â€™till the day
Wonâ€™t ever tell you â€™till the day
Iâ€™m dying
Iâ€™m crying

Scream
Inside I keep them
All of us in hiding
Iâ€™m crying
Wonâ€™t ever tell you â€™till the day
Wonâ€™t ever tell you â€™till the day
Iâ€™m dying
Iâ€™m crying
