See, see rider, see what you have done
Oh, see, see rider, see what you have done
See, see rider, see what you have done
Hay, hay, hay, hay

You made me love you now your man done come
Oh, made me love you now your man done come
Made me love you now your man done come
Hay, hay, hay, hay

I was looking right at her when that sun when down
Lord, looking right at her when that sun when down
Looking right at her when that sun went down
Hay, hay, hay, hay

She was standing in the kitchen in her mourning gown
Standing in the kitchen in her mourning gown
Standing in the kitchen in her mourning gown
Hay, hay, hay, hay

Let me be your side track when your main line comes
Let me be your sidetrack when your main line come
Be your sidetrack when your main line comes
Hay, hay, hay, hay
