Shaking like a leaf on the desert heath  
His daddy's got a bag that's hard to beat  
I bought me a ticket, got a front row seat  
I'm checking out the show  
With a glassy eye  
Looking at the sun dancing through the sky  
Did he come  
By U.F.O.

A lot of tricks were pulled in the book I read  
Only man I know who got up from the dead  
Lot of people living by the words that he said  
I'm checking out the show  
With a glassy eye  
Looking at the sun dancing through the sky  
Did he come  
By U.F.O.

Think he'll ever come again a different way  
Maybe he's come and gone while I was away  
Too much goodness is a sin today  
I'm checking out the show  
With a glassy eye  
Looking at the sun dancing through the sky  
Did he come  
By U.F.O.

There's something happening that isn't too clear  
Just a little different than in previous years  
I think that happiness is getting very near  
I'm checking out the show  
With a glassy eye  
Looking at the sun dancing through the sky  
Did he come  
By U.F.O.

Did he come  
By U.F.O.  
Did he come  
By U.F.O.
