While you are away
My heart comes undone
Slowly unravels
Like a ball of yarn
The devil collects it
With a grin
Our love
In a ball of yarn

(He'll never return it)
So when you come back
We'll have to make new love
(He'll never return it)
So when you come back
We'll have to make new love

My heart comes undone
While you are away
Slowly unravels
Like a ball of yarn
The devil collects it
With a grin
Our love
In a ball of yarn

When you come back
We'll have to make new love
(He'll never return it)
So when you come back
We'll have to make new love
(He'll never return it)
So when you come back
We'll have to make new love
