How you doing baby,
I got something to say,
You know you on my mind, I think about everyday.
You know you is a dime, the way you walkin my way,
And if you ever need a man, they say IÂ'm ok.

She a yellow-bone thick chick, (thick chick) and she
always down to ride, cause sheÂ's the shit. (Yeah)
The way she stuntinÂ' in them heels, wearing lipstick.
Got the Vickie Secret on and she feelinÂ' it.
My adrenaline is rushin, like a full clip. (Full clip)
IÂ'm bout to pull the trigger, POW!, you feel the
climate.
Close the curtains baby girl this is private. (Private)
Better buckle up your seats, IÂ'm the pilot.
TakinÂ' off cruisinÂ' places you ainÂ't never seen.
(Never seen)
I turned your life into reality, you livinÂ' dreams. (Yeah)
Now we doin everything, livin so extreme.
I rather have it all with you, then it just be me. (Yeah)

CHORUS

IÂ'm really on this boss shit, and I ainÂ't loss yet.
Wit you by my side, IÂ'm a winner tell itÂ's all said.
IÂ'm really on this boss shit, and I ainÂ't loss yet.
Wit you by my side, IÂ'm a winner tell itÂ's all said.

IÂ'm really on this boss shit, and I ainÂ't loss yet.
Wit you by my side, IÂ'm a winner tell itÂ's all said.
IÂ'm really on this boss shit, and I ainÂ't loss yet.
Wit you by my side, IÂ'm a winner tell itÂ's all said.

Baby girl,
IÂ'm a winner tell itÂ's all said.
Baby girl,
IÂ'm a winner tell itÂ's all said.
IÂ'm really on this boss shit, and I ainÂ't loss yet.
Wit you by my side, IÂ'm a winner tell itÂ's all said.
Baby girl.
Baby girl,
You got me bugginÂ',

And wantin' ,
And lovin' you,
Pressin' buttons now give me somethin' cause,
I wouldn't have it no different.
You on my side, you down wit me when I be stressin' .
Wakin' up early cookin' breakfast.
Kiss me on my head, and leaves a message,
"Hola papi, yeah I miss you.
See you later. Tu Amos, my baby boo."
I'm really on this boss shit, and I ain't loss yet.
Baby I'm a winner, tell it's all said.
Chase my dreams, met my goals, gettin bread.
Had to always stay a step ahead.
Now I got you on my side, always in my head.
Bout to make it happen, baby in the bed.
Close the doors, turn off the lights.
Imma show you I'm a winner baby all night.

CHORUS

I'm really on this boss shit, and I ain't loss yet.
Wit you by my side, I'm a winner tell it's all said.
I'm really on this boss shit, and I ain't loss yet.
Wit you by my side, I'm a winner tell it's all said.

I'm really on this boss shit, and I ain't loss yet.
Wit you by my side, I'm a winner tell it's all said.
I'm really on this boss shit, and I ain't loss yet.
Wit you by my side, I'm a winner tell it's all said.

Baby girl,
I'm a winner tell it's all said.
Baby girl,
I'm a winner tell it's all said.
I'm really on this boss shit, and I ain't loss yet.
Wit you by my side, I'm a winner tell it's all said.
Baby girl.
