I wrote a letter but you never ever see it  
I made a promise that you'll never ever know  
I think about you but you never ever notice  
We might be better but you're probably okay.

Yeah. Yeeeah, I'm here again, falling in love again.  
Yeah. Yeeeah, I'm here again, falling in love again.

Hatutasengenyana, kudanganyana forever.  
Hatutapigana na kuumizana again.

I drew this for you but you'll never ever see it.  
I made a promise it would never ever show.  
I wrote this song but you'll never ever hear it.  
We could be better but you're probably okay.

Yeah. Yeeeah, I'm here again, falling in love again.  
Yeah. Yeeeah, I'm here again, falling in love again.

Hatutasengenyana, kudanganyana forever.  
Hatutapigana na kuumizana again.

I have this feeling I can never ever tell you.  
I might be wrong but you'd rather be my friend.  
Maybe in future lives will be complete together. \*  
We'll make a promise that we're gonna be okay.

Yeah. Yeeeah, I'm here again, falling in love again.  
Yeah. Yeeeah, I'm here again, falling in love again.

Hatutasengenyana, kudanganyana forever.  
Hatutapigana na kuumizana again.
