I don't want you to believe  
it's the last time  
I'm not ready so please  
control me now  
Too hard to stand the rest of life  
Too late for trying one more time  
There is nothing in your eyes  
nothing  
but the power of habit and I try  
to make you smile  
Just to meet you once again

I'm losing you  
One more time  
I lose your thoughts in the web of lies  
I lose your dreams you'll never tell  
And there is nothing I can (do)

I don't want you to believe  
it's the last time  
It's the same but I feel  
I'm choked now  
You throw your caution to the winds  
The thin ice cracks  
beneath my feet  
Just to meet you once again

I'm losing you  
One more time  
I lose your thoughts in the web of lies  
I lose your dreams you'll never tell  
And there is nothing I can (do)  
I'm losing you  
One more time  
I lose your thoughts in the web of lies  
I lose your dreams you'll never tell  
And there is nothing I can (do)
