Hop up on a train (6x)

I don't care if they say that we're wrong got my own ambitions.

And if I want to love you I shouldn't have to ask permission.

I'm not Juliet, this aint a movie

We don't have a script written out, but we'll figure it out.

I don't feel like I need to explain cause they just won't listen.

And if its a mistake, Its one I'm gonna make, A chance I gotta take (Oh)

Time to get away, another time and place, cause I don't wanna stay here no.

We got 5 more minutes til they callin out all aboard (all aboard)

And we don't even really gotta know where we're heading for.

Hop up on a train, if you ready to leave, its only you and me and I got your ticket.

We got 5 more minutes til they callin out all aboard (all aboard)

Yeah

Hop up on a train (6x)

I was never the one to play safe despite my intentions.

Can't nobody erase what we've made you got my affection (yeah)

Might be wrong, might be right, I don't know, but
I'll try

I can't break myself for nobody else.

Inside of my mind you're the top of the line
selection (Yeah, Oh)

And if it's a mistake, it's one I'm gonna make, A
chance I gotta take (Oh)

Time to get away, another time and place, cause I
don't wanna stay here no.

We got 5 more minutes til they callin' out all
aboard (all aboard)

And we don't even really gotta know where
we're heading for.

Hop up on a train, if you ready to leave, it's only you
and me and I got your ticket.

We got 5 more minutes til they callin' out all aboard
(all aboard)

Yeah

Hop up on a train (2x)

Come on, take a ride with me baby

Hop up on a train (2x)

Come on take a ride, take a ride.

We got 5 more minutes til they callin' out all
aboard (all aboard)

And we don't even really gotta know where
we're heading for.

Hop up on a train, if you ready to leave, it's only you
and me and I got your ticket.

We got 5 more minutes til they callin' out all aboard
(all aboard)

Yeah.
