Boy you're cute and I think you're cool, but  
don't fall, don't be foolish.

We're not meant to be cause I'm somebodies  
one, I can't do this.

You keep callin, I keep ignoring, you know I know  
better.

But get it through your head, I'm not leaving him  
no, no never.

I thought that you knew front the moment we met.

I'm not gonna let you get into my head.

You're just another, another

You're just another boy (2x)

I'm sorry if I led you on, I'm

So sorry if i wasted your time.

But you're just another, another

You're just another boy.

I saw you and you saw me too, I'm not dumb, no  
I'm not stupid.

What you seek you won't get from me, I'm not  
yours, there's no cupid.

It was a mistake lying to your face I was too friendly.

Don't know what to say, I know your heart is full, but  
mine's empty.

I thought that you knew front the moment we met.

I'm not gonna let you get into my head.

You're just another, another

You're just another boy (2x)

I'm sorry if I led you on, I'm

So sorry if i wasted your time.

But you're just another, another

You're just another boy.

Ooo, Yeah

You're just another

You're just another boy!

You're just another, another

You're just another boy (2x)

I'm sorry if I led you on, I'm

So sorry if i wasted your time.

But you're just another, another

You're just another boy.
