It couldn't of been a more perfect day, what could go wrong?

I was head over heels for every word you'd say.

And it was at the tip of my tongue, front of my brain

look what he's done, it drives me insane but..

I didn't think that I would actually say it. (Nuh uh, nuh uh)

Those three words so simply complicate things quickly

I don't know what I was thinking, or maybe I do.

Oops I told you that I love you

One day, maybe that'll be true

Oops I told you that I love you

Don't know if I mean it yet (2x)

Oops I told you that I love you

One day, maybe that'll be true

Oops I told you that I love you

Don't know if I mean it, don't know, don't know

But I'm thinking about it,

I been thinking, I been (I been thinking about it)

I been thinking (Don't know if I mean it, don't know, don't know if i mean it yet)

And he's probably thinking what did she just say, and how do I answer

hope that I didn't scare him a way.

And it was at the tip of my tongue, right on my lips, no one ever told me it would feel like this (aye)

I didn't think that I would actually say it. (Nuh uh, nuh uh)

Those three words so simply complicate things quickly

I don't know what I was thinkin', or maybe I do.

Oops I told you that I love you

One day, maybe that'll be true

Oops I told you that I love you

Don't know if I mean it yet (2x)

Oops I told you that I love you

One day, maybe that'll be true

Oops I told you that I love you

Don't know if I mean it, don't know, don't know

But I'm thinking about it,

I been thinkin', I been (I been thinking about it)

I been thinkin'

I been thinkin' bout the words I said all night

I been thinkin'

Kinda gettin' ahead of myself but it feels right

I been thinkin'

Ain't no rush to say it back boy take your time
I'll be here waiting.

Oops I told you that I love you

One day, maybe that'll be true

Oops I told you that I love you

Donâ€™t know if I mean it yet (2x)

Oops I told you that I love you

One day, maybe thatâ€™ll be true

Oops I told you that I love you

Donâ€™t know if I mean it, donâ€™t know, donâ€™t know

But Iâ€™m thinking about it,

I been thinkinâ€™ , I been (I been thinking about it)
