First day, settle down relax  
I donâ€™t wanna be the one thatâ€™s gotta fall back  
Next phase, donâ€™t get attached  
Baby, itâ€™s already too late for that

Donâ€™t hesitate to be cautious with me  
Youâ€™ll see I donâ€™t fall easily, I donâ€™t fall  
easily  
We gotta do it til I give you my all  
I never be so quick to go and give you my heart  
Gotta know the rules before we take it that far

You think you know me but  
You donâ€™t know me like that (4x)  
Check yaself right at the door  
More than you asking for  
Think you needa slow your roll  
You donâ€™t know me like that (2x)

Wrong time to be wasting noise  
I donâ€™t wanna be the girl youâ€™re waiting for  
So I gotta let you know  
Get it right now before Iâ€™m out the door

Donâ€™t hesitate to be cautious with me  
Youâ€™ll see I donâ€™t fall easily, no, I donâ€™t fall  
easily  
We gotta do it til I give you my all  
I never be so quick to go and give you my heart  
Gotta know the rules before we take it that far

You think you know me but  
You donâ€™t know me like that (4x)  
Check yaself right at the door  
More than you asking for  
Think you needa slow your roll  
You donâ€™t know me like that (2x)

If you wanna know me, I can show ya  
But you wonâ€™t see nothing till I wanna  
Put you in the loop  
Show you what to do

You gonna have to work if you want me next to you  
When it's said and done, you can be the one  
But if you playing catch up, baby you should run

You think you know me but  
You don't know me like that (4x)  
Check yaself right at the door  
More than you asking for  
Think you better slow your roll  
You don't know me like that (2x)
